**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like my little internet service provider just the way it is. I keep hearing about how competition is such a great feature of capitalism. So allow for competition. Otherwise, why not just have one service provider--the government? So either i want to reap the benefits of competition or reap the benefits of a publicly funded utility. Great. Thanks!
